

CLUB OF EMPLOYERS FOR APPRENTICESHIPS IN EUROPE

WHY A CLUB ?

- Apprenticeships combined with learning mobility develop **unparalleled skills**. This contributes to **building a pool of talent** for companies and European economies.
- Offering international mobility to apprentices makes **companies more attractive to learners** and helps develop **new perspectives for employees**.
- Apprentice mobility can be part of the corporate social responsibility (CSR) strategy of companies and **increase their competitiveness**.
- A **network of partners** facilitates the sharing of good practice in outgoing and incoming mobilities reflecting local economic realities and skills needs.

JOIN THE MOVEMENT

- **Promote** the commitment of companies in favour of apprentice mobility.
- **Raise awareness and support** employers in establishing a strengthened relationship with VET providers.
- **Foster a dynamic ecosystem** where apprentice mobility is both a strategic tool and a driver of transformation for companies.
- **Cooperate** with those who innovate and **experiment** with solutions, particularly the regional partners of the Euro App Mobility.
